**1937 Sale Catalog**

Choice -- Offering -- of -- Quality -- Stock

**PRICES FOR YEAR OF 1936**

GUARANTEE—Our nursery stock is guaranteed for one year with free replacement where properly planted, given care and attention during that time. Free planting instructions sent out with orders.

TRANSPORTATION—We prepay all transportation charges where cash is sent in previous to time of delivery except on balled and burlapped evergreen stock, which is generally shipped by freight, f. o. b. Rapid City. Where orders are left to our judgment we will adopt the best method of transportation.

PAYMENT—Payment may be made by check, money order, bank draft or cash. 25 per cent down on C. O. D. orders, balance at time of delivery.

LANDSCAPE SERVICE—We are rendering free landscape service upon the request of our customers. Guy Howard is our new man in charge of this work. He is well qualified to handle all your problems. Give us a ring or notify us and we will be glad to give you a price on a good job.

TREE TRIMMING—We are equipped to handle your tree trimming and tree surgery work. If your trees are not healthy and require attention, call upon us and we will be glad to advise as to the best of our ability.

SPRAYING—We are equipped with a barrel spray outfit and can spray your fruit and shade trees. All fruit trees require one or two sprayings if you expect to have fruit free from worms and scab. Local people get in touch with us and we will advise as to the best time to spray. Leaf rollers and aphids are very bad on American Elm and will injure the trees if not controlled. Trees should be sprayed early, just after the leaves open and again later. Keep your trees healthy.

### EVERGREEN TREES

**BLACK HILLS SPRUCE**

(Picea engelmannii)

Specimen trees, priced balled and burlapped:
- 7-8 ft., $10.00 each; 6-7 ft., $7.50 each; 5-6 ft., $6.00 each
